Matters arising:-

GB had attended via Skype on Tuesday 21st November a meeting with all Areas/ counties to discuss the signposting the priorities for SGL. It was basically highlighting the topics for discussion at the SGL strategy review meeting that was held on 2nd December.

The secretary wrote to all ABGU member clubs to try and raise awareness regarding the strategy review and the potential impact it may have on all our clubs. He only received one reply from the member clubs.

GC was unable to attend the SGL strategy review meeting that was held on 2nd December.

Correspondence: -

GB asked SGL how many of the ABGU Clubs did not have voting rights within SGL. The number was significant with 10 clubs not having rights. GB wrote to the clubs concerned highlighting to them their position. Subsequently two clubs applied and now have membership rights.

GB had been in contact with his Dunbartonshire counterpart John Struther regarding whether DGU has discussed with the relevant Ladies County regarding merger. His response was as following. It is apparent that DGU & D&A ladies have no appetite for merger.

"We did have a chat with the D&A Ladies last year, including Anne Colthart from Dalmally. We had thought it best to have a chat with the Ladies in view of the steps being taken

towards a merger in other Areas and Counties although my own Executive was not in favour of any form of merger. As it turned out the Ladies had no interest in a merger either although we agreed to work together in any areas that came up that would benefit from us working together, possibly Course Rating, provision of qualified referees and Junior development "

The SGL AGM will take place on the 4th March. Prior to that a conference call will take place tomorrow 5th February to discuss topics on the agenda and also the status on the recruitment campaign for a new CEO for Scottish Golf. GB would try and attend and forward on any papers that were tabled..

Area Subs: - Area affiliation fees were slowly being received. Members numbers continue to fall with roughly a 1.5% decrease on 2016/17 figures.

Finance: - A set of management accounts were tabled. A small loss for 2017/18 that was originally forcasted should now turn into a small profit, with a significant refund of bank charges being received. The treasurer has also been able to secure accommodation for the Mens ATC at a discounted rate by booking early.

Coaching: -

Six boys are attending Colin Fisher of Great Western Golf over the winter. After a short hiatus over the festive period it will recommence on Saturday 10th February. A date for the on course session has been confirmed for the 7th April again at Millport GC. Ian Shaw will attend.

Events Rota: -

Discussion took place around the Area's events and after much debate we are able to announce a full calendar of Area events as below.

All area events have now been finalised. However the Boys ATC staging has been threatened by the following announcement from SGL.

"Unfortunately we recently learned that Bothwell Castle no longer wish to host this year's Boys' Area Team Championship. Given the date and venue had been in place for a considerable period of time and the initial planning meeting completed, this has presented a considerable fixture challenge. Since learning of this just over a week ago we have been busy exploring alternative arrangements which may also involve a possible change of date and/or geographical location.

Please be assured this is a key priority and I will keep you updated as soon as I have further information, in the meantime, and in order to assist the process we would welcome any potential venue suggestions you may have for consideration."
